Number of employees \_\_\_\_\_

- declares herewith that the company desires to participate in the above mentioned Monitoring Commission against an annual participation fee of
- € 500 (large companies)
  - € 250 (SME)

Companies that are not yet member of Centexbel, shall affiliate to Centexbel at an annual fee of € 500 (small companies <50 employees) or € 1250 (middle-sized and large companies) for the duration of the project. All prices are VAT excluded. Payment of the participation fee will be made upon reception of the invoice established by Centexbel in two yearly terms.

The summary of the project and the purpose of the Monitoring Commission is described in the enclosed information file. Participation in the project involves that (i) the company will be invited to information and demonstration sessions, to meetings of the project consortium and that it will be informed about the results of the collective research, (ii) the company may formulate concrete proposals to steer the project, and (iii) the company may implement the obtained information under favourable conditions in agreement with the organising associations.

- Undersigned declares to have examined the Code of Order of the Monitoring Commission for collective research (see annex) and to accept the terms thereof.

The follow-up of the project within the company will be assumed by (fill in when different from above-mentioned data):
